FREELANCE VIDEOGRAPHER

Asked by Chaparral High School Administration to be the video consultant for all grade levels, including freshman orientation, student activities, and academic promotions.

Hired by Chaparral High School to produce and release the Spring 2025 Prom Video.

Camp Swift Videographer. Spend one week when school gets out and one week before school begins at the camp, capturing all of the moments of the experience.

Manage and Direct the News Program, Firebird Word, Chaparral High School.

ABOUT ME

I am looking to pursue a major and subsequent career in the field of filmography and screenwriting. When creating film ideas, I love to take something mundane and make it interesting. My goal is to highlight things that people may not otherwise notice and give life and meaning to aspects that seem so small. I love making all genres of films but especially love finding humor in life and making audiences smile and laugh.

FILMOGRAPHY, DIRECTOR

CAMERAMAN MOVIES

Something's Afoot, 2024

- Two detectives work together to solve a puzzling mystery. Actor as well.
- **Winner** Southern Arizona Independent Film Festival— April 2025**
